Turtle
Class:
Miss Ann &
Miss Linda

Love is in the air and the Turtle class is busy using their rapidly developing skills creating projects to share with their families. We hope you are seeing some of these skills at home. Our alphabet letters this month are G, H, L, O and V. Look for groundhog puppets, log cabins, and finger-painted hearts to come home as we continue to develop letter recognition and beginning sounds. Pre-math skills will include rote counting, recognizing and using numbers 1-8 and various other “math games”.

On February 13th & 14th, we will be celebrating Valentine’s Day with the exchange of cards and a party. A note has been sent home with the number of cards your child needs to bring in to share with his/her classmates. If you have not received it please let us know. **The week of February 20th we will have a Healthy Habits Week.** We will be teaching the children to recognize the importance of eating healthy foods, exercise, dental health and “germ control”. We will have a sign-up sheet for daily healthy snacks to be sent in for snack time. We appreciate so much your involvement!

Thank you for labeling coats and accessories. We appreciate you putting your child’s hat and mittens in their coat sleeve when you drop them off. It helps in getting them dressed properly before playing outside. Only a few months till Spring!

Class:
Miss Greta &
Miss Joan

February is a great month to focus on God’s love for us and our love for each other. Love will be one of the “L” words we will use as we focus on the letter L during the first few days of February. We will be making a special Valentine’s card for our parents and some other “Vv” activities the week of the 6th. **Our Valentine’s Day Parties will be on February 13th and 14th.** We will be sending home a note to let you know how many valentines your child should bring in for the party. Please have your child sign his/her name on each card, but do not address the valentines to a particular child. This will allow your child to hand out valentines to all his/her classmates.

The rest of the week of the 13th we will be focusing on Dr. Seuss books and activities. For Show and Tell this week your child can bring in something he/she loves to keep with the valentines theme. The week of the 20th, we will be learning about the letter Ii and the concepts inside and outside. The last week will be all about the letter Oo.

Thanks so much for your help in sending in Show and Tell on your child’s day to share with the class. We are enjoying all the items they share!!

To protect the children, please follow the traf-

fic pattern of entering our parking lot at the entrance near Main Street. Then please exit in the back of our lot onto Oak Avenue. Please make sure your children are holding your hand as you go across the crosswalk.

Thank You!

Our little Frogs are growing more and more as time passes by here at Joyful Noise. The children are developing so much academically and socially. They especially had an awesome time at their Pajama and Pancake Party!

Our Valentine’s Day Parties will be on February 13th and 14th. We ask that the children bring in 16 valentines to exchange and if attending both days, we kindly request that they bring in valentines for both days.

This month the students will continue to learn new letters, their sounds, and words that begin with those letters. They will continue practicing, tracing and writing these letters. The Show-N-Tell letter for the week will be posted on the wall outside the classroom.

The Bible theme this month is “Jesus Wants Me to Obey” and the students will learn how to love God and each other by following the Ten Commandments.

Our Music theme will be “Music is Singing” and they will discover new songs and practice singing them with flannel boards, puppets and CD’s.

Shining Star Class:
Miss Theresa & Miss Kim

We're heading into February and our Bible unit is one we know you'll appreciate.

"Jesus wants me to obey"! We will cover the 10 Commandments.

There are always things to celebrate in pre-school and February is full of them. We will make a groundhog puppet in honor of Groundhog Day. We will design Valentine cards as well as bags for our Valentine parties. We will decorate tri-cornered hats to commemorate President's Day. Among all these festivities, we will also create a zoo display during Zz week, make a vase for Vv week, design Matryoshka dolls as we learn about the concept of size order, and make an owl out of pinecones during Oo week.

Please send in Valentines for every child by Friday, February 10th for our parties held on February 13th and 14th. Children who come both days usually enjoy handing out Valentines both days.

Please mark your calendars, as we hope you're all able to join us for our **field trip to Pitman Theatre on Friday, March 10th to see "A Toy Story"**. This will be our last field trip for the year.

We will make a zoo mural, a groundhog puppet, a three cornered hat, a "V" vase, Matryoshka paper dolls, a "Three Billy Goats Gruff" interactive picture, pinecone owls, a finger painting ocean and an octopus.

Our Valentine's Day Parties will be on Monday, February 13th and Tuesday, February 14th. The children exchange Valentines at each party. A separate note came home last month explaining how to prepare these Valentines.

Joyful Noise will be closed for Presidents' Day on Monday, February 20, 2017.

We have a Field Trip planned for Friday, March 10th to the Pitman Theatre to see "A Toy Story". All students and parents are welcome to attend this trip. **Permission slips and money must be turned in by Friday, March 3rd.** We will leave Joyful Noise at 9:00 AM and return by 11:45 AM.

Please remember to send your child to school in appropriate clothing to go out on the playground. We will continue to go outside when the temperature is above freezing. Also, check the set of spare

clothing in your child's bin and make sure it is seasonably appropriate.

Thank you!
