*"God is awesome. He is the Great King of all the earth."*

Turtle Class:  
Miss Ann &  
Miss Linda

Spring is just around the corner and we are ready to enjoy all the signs of the new season...especially being outside? The weather in March is unpredictable so we will use this as an opportunity to look at various topics surrounding the weather. Letter W is featured as we talk and read about wind and weather. Letter K inspires us to make rainbow-colored kites and talk about how the wind moves things. On a whimsical note, we will have fun making leprechaun masks and hunting for alphabet letters.

Nursery rhymes will take center stage for a week this month. We hope you will recite some of your personal favorites with your child as we explore rhyming words, sequencing, and number concepts.

To protect the children, please follow the traffic pattern of entering our parking lot at the entrance near Main Street. Then please exit in the back of our lot onto Oak Avenue. Please make sure your children are holding your hand as you go across the crosswalk.

Thank You!

The month of March brings a new season, new letters to learn, an Irish Holiday, and an important Bible theme to learn. New things are fun to do and fun to learn, so our classroom will have many diversions this month.

Our letters for the month are: A & Z on March 6th, G on March 13th, R on March 20th, and K on March 27th. We will incorporate the signs of Spring in those weeks with hopes that the weather will cooperate. Your child will be introduced to their telephone number and the importance of 911. **This month's fun will include: our field trip on March 1st to the Camden Aquarium, celebrating St. Patrick's Day by doing some special activities, learning about the real Saint Patrick, a dentist will visit on March 28th and the 31st, and enjoying a special snack.**

In addition, we will be learning about our theme "Jesus is Powerful". Our Bible verse is Psalm 46:2, "God is awesome. He is the Great King of all the earth." **Note three reminders: Please send in your child's Aquarium permission slip along with money. We hope you can come along! Please check the "Show-n-Tell" schedule for your child's day. Also, March 17th is a Teacher In-service day so the school will be closed.**
