Class:

Miss Ann & Miss Linda

November is here and we are so thankful for the many blessings God has given us. We will be asking all our families to help us with our November bulletin board by sending in a family picture. We love to hear the children share stories about their families with each other. Please feel free to stop in and see our family picture board, as it will put a smile on your face!

We begin scissor skills this month. The children will have many opportunities to practice this skill as we prepare projects this month, but a word of caution...sometimes their zeal leads to a new self inflicted "haircut"!

The letter T, L, I, S and their corresponding sounds will be our focus this month. Turkeys, leaf prints, and squirrels will be just a few of the projects we will do together to reinforce alphabet awareness and build appropriate skills. We will continue with pre-math skills using numbers 1 through 5, one to one correspondence and rote counting. **Our Thanksgiving Feasts will be held at the end of the month and more information will follow soon.**

Parent-Teacher conferences are being held this month. A sign-up sheet will be posted outside our classroom so that you may choose and day and time convenient for you. We will try to accommodate you if you need a certain time to meet or speak by phone. Thank you!

Teddy Bear
Class:

Miss Greta &
Miss Wendy

This month holds many fun activities and new things to learn for our Teddy Bears. We will begin introducing shapes this month and learning about them by looking at books about shapes. We will be learning our numbers, being able to recognize them and able to count our objects.

We will be learning about thankfulness as we read from our Bible stories how God has made us special and shows His care for us just like those people in our stories. **We are so looking forward to our Thanksgiving Feasts on the 20th and 21st of this month.** We will be learning some Thanksgiving songs and fingerplays to help us remember what happened on that 1st Thanksgiving. We will make "thankful turkeys" to decorate our classroom and for you to use at your Thanksgiving table!

Parent-Teacher conferences will be held this month and we are looking forward to meeting with each of you. There will be a sign-up sheet on the bulletin board above the sign-in table.

You may be hearing some Christmas songs from our Teddy Bears as we begin to practice for our upcoming Christmas Concert. We are very busy bears!!!

November...a time to be thankful to God for all the many blessings He sends our way each day. We are so thankful to have the privilege of teaching and caring for your children during this pre-school year! We hope to water the seeds of thankfulness in your child's heart and help them to look for things for which to be thankful.

This month we will focus on the letters Rr, Tt, Gg and the concept of shapes. We have some fun projects to correspond to these letters including a name rocket ship, a rectangular robot and a gumball machine. We will also be hard at work preparing for our **Thanksgiving Feast being held on Monday, November 20th and Tuesday, November 21st.** We will be making our own place mats and turkey hats to wear. A sign-up sheet will be posted asking for parent helpers to send in cookies for these special days.

Lastly, our Thanksgiving Feast will be on Tuesday, November 21st.**

In our reading class, everyone is doing such a great job sounding out words and reading. Please remember to read with your child as much as you can to help them improve their skills. We will continue to learn new word families this month and will learn the sight words: "too", "do", "said", "are", "go", "you", "and", and "on".

In Math we will look at our numbers 1-15, discuss counting strategies, introduce ten frames and solve story problems. During Bible time, we will be covering the stories listed below and talking about how we can love others like Jesus loves us.
