Music Theme: Music is Singing

**Turtle  
Class:  
Miss Ann &  
Miss Linda**

Love is in the air and the Turtle Class is busy using their rapidly developing skills. We hope you are seeing some of these skills demonstrated at home too. Our alphabet letters this month are G, H, L, O and V. Look for groundhog puppets, pink finger-painted hearts, and vegetable prints to come home as we continue to develop letter recognition and beginning sounds. Pre-math skills will include rote counting, recognizing and using numbers 1-8 and various other "math games".

**We will be celebrating Valentine's Day on 2/13 and 2/14 with the exchange of cards and a party.** A note has been sent home with the number of cards your child needs to bring in to share with his/her classmates. If you have not received it please let us know. **The week of 2/20 we will have a Healthy Habits Week.** Our focus will be on helping the children to recognize the importance of eating healthy foods, exercise, dental health and "germ control". There will also be a sign-up sheet for daily healthy snacks, such as veggies, yogurt and fruit to be sent in and served at snack time. Thank you for all the support we receive from our families...even tucking mittens/hats in coat sleeves at drop off!

Spring is Coming!!

**Teddy Bear  
Class:  
Miss Greta &  
Miss Wendy**

February is the month the Teddy Bears focus on God's love for us and for each other. We like to remember that Jesus said, "As I have loved you, so love one another." (John 13:34). We will use "love" as one of the words we will focus on during the week 2/5 as we emphasize the letter LI. Our other letters this month will be: 2/12-Vv; 2/20-li and 2/26-Aa and Zz.

**We will celebrate Valentine's Day with our parties on the 13th and 14th.** We will have fun doing a Valentine craft and playing some Valentine games at our parties. We sent a note home to let you know how many valentines your child should bring for the party. Please have your child sign his/her name on each Valentine card, but do not address the valentines to a particular child as this will allow your child to hand out valentines to all their classmates more easily.

The students enjoyed being in their comfy pajamas and eating delicious pancakes with their friends at their Pajama and Pancake Party!

**Our Valentine's Day Parties will be held on February 13th and 14th.** Look for a sign-up sheet outside the classroom for bringing in a special snack. Each student will need to bring in 13 valentines and if your child is here both days, please bring in valentines for both days.

We will continue to learn new letters, their sounds and words that begin with those letters. Our letters this month: 2/5-LI; 2/12-Vv; 2/20-li; and 2/26-A/Z.

The Bible theme is "Jesus Shows Love". The students will learn how to love God and others as Jesus did.

Our music theme is "Music Is Singing". We will learn new folk songs that reflect the heritage of American and sing them using flannel boards, puppets and CD's.

The children have had a blast sharing with their peers what they brought in for Show-N-Tell time.

How appropriate that our Bible theme for the month of February is “Jesus Shows Love”. As we learn about the love Jesus has for us, we will be celebrating our love for others in BIG ways this month! We will prepare for our upcoming Valentine parties by making Valentine bags to collect our special Valentines! **Please remember to send in your child’s Valentines by the 12th.** The children love to pass these out at our parties to their friends. We’ll also be making a special card for our Moms and Dads!

During the month of February, we will focus on the letters Vv, Ll, Dd and the concept of weather/seasons. We have some fun projects planned to reinforce our learning including a lion puppet, ladybug, weather chart, seasonal trees poster, dalmatian, donkey and donut.

**Don’t forget to mark your calendar for our final field trip of the year on Friday, March 23rd to the Pitman Theater to see “Jungle Book”**

Please remember to send your child to school in weather appropriate clothing, as we continue to go outside when the temperature is above freezing. Thank you!
