We are thrilled to welcome all of our new Joyful Noise families! The children are settling in and getting more comfortable with our daily routine. We love hearing the children begin to greet their new friends by name when they arrive in the morning.

October is a beautiful time of the year and presents us with many opportunities to learn about colors in nature. This month we will be exploring secondary colors, reviewing basic shapes, counting 5 items and various other appropriate skills. Look for orange pumpkins, colorful fall trees, shape scarecrows to make their way home. Letters L, S, M, B and P will be part of our alphabet awareness. **We are planning a "Harvest Hoedown" on 10/17 and 10/18. Weather permitting,** we will take a walk to a local park for some pumpkin picking and return to school for a snack and craft. The park is within 2 blocks of the school. If anyone has a wagon that we can borrow for those days, please let us know. We would love to hear from you if you would like to help on either day.

Please remember to send in a jacket as weather cools down. Also, please make sure to label all of your children's items. Thank you!

We have truly enjoyed getting to know each of your precious little ones during our first month together. They are learning our routines and making new friends. **October brings our first class trip to Johnson's Farm on Wednesday, October 3rd.** We will enjoy a hayride as well as pumpkin and apple picking. We are hoping all of our parents can come.

We have been having fun working with colors and numbers during September. This month we will continue with these themes and add shapes. We will also spend time learning about the Fall season as we rake leaves in our classroom, sing about Autumn changes, read Fall stories and make some Fall goodies. **Our Harvest parties are October 25th and 26th.** Be on the look-out for sign-up sheets for those days. There will be opportunities for sending in a special snack or coming in to do a special craft. **Class pictures will be taken on October 10th and 11th.**

Our Bible theme this month is "God Made My Family". We will be learning about God's special care over several Bible families and how He cares for our families too.
