

November 2018 at Joyful Noise

Theme: God Watches Over Me

*"I will not be afraid, for you are close beside me."
Psalm 23:4*

Music Theme: Music is Movement

**Turtle
Class:**

Miss Ann & Miss Linda

November is here and we are so thankful for the many blessings God has given us and that includes our Joyful Noise families. We will be asking all our families to help us with our November bulletin board by sending in a family picture. The children love to talk about their family members and we love to hear them share their stories with each other. Please feel free to stop in our classroom and see the board. It will put a smile on your face!

We begin scissor skills this month. This is an important preschool skill that the children love to practice. **A word of caution...sometimes their zeal leads to a new self-inflicted "haircut"!!!**

The letters T, L, I, S and their corresponding sounds will be featured this month. Turkeys, leaf prints, and squirrels will be just a few of the projects we will do together to reinforce alphabet awareness and build appropriate skills. We will continue with our pre-math skills using numbers 1-5.

We will have our Thanksgiving Feasts at the end of the month. More information to follow soon.

Parent/Teacher Conferences will be held and a sign-up sheet will be posted. We will make every effort to accommodate a conference at your convenience.

**Teddy Bear
Class:**

**Miss Greta &
Miss Wendy**

This month holds many fun activities and new things to learn for our Teddy Bears. We will begin introducing shapes and learning about them through books, crafts, puzzles and even making shapes with our bodies. We will continue learning numbers by being able to recognize them and use them to count objects.

We will be learning about thankfulness as we investigate some Bible stories about how God cares for all the special people He created including us. We will be talking each day about things God has provided for us that we can be thankful for. **As we look forward to our Thanksgiving Feasts on November 19th & 20th**, we will be learning songs and fingerplays to help us remember what happened on the first Thanksgiving. We will make "thankful turkeys" to decorate our classroom and your Thanksgiving table!

Parent/Teacher Conferences will be held this month and we are looking forward to meeting with each of you. Look for the sign-up sheet on the bulletin board above the sign-in table soon.

Happy

Thanksgiving

Our first field trip and Harvest parties were all successes! Thanks so much for all your help in ensuring these things ran smoothly. Special days and celebrations bring so much excitement to our preschool class and these will continue into the month of November. In preparation for our **Thanksgiving Feast days held November 19 & 20**, we will work on Thanksgiving hats and placemats this month. Along with focusing on the letter sounds Gg and Tt. We will also spend time working on numbers 1-12 recognition. Some of our projects will include a paper plate tiger and a gumball machine. Believe it or not, we will be working on our songs for our Christmas concerts and we will close out the month working on some Christmas projects! We are looking forward to meeting with each of you during **Parent/Teacher Conferences held on Wednesday, November 7th**. Please be sure to sign up for a time slot so we can share your child's progress and discuss any concerns you may have.
