March 2019 at Joyful Noise

Theme: Jesus is Powerful

*"God is awesome. He is the Great King of all the earth."
Psalm 46:2*

Music Theme: Music is Instruments

Turtle Class:
Miss Ann &
Miss Linda

Will March come in like a lion or a lamb? We love to use the month ahead as an opportunity to explore weather and wind. Letter K inspires us to make rainbow-colored kites and talk about how the wind moves things and the letter W will be used to make weather wheels.

Humpty Dumpty, Little Boy Blue, Mary Had a Little Lamb...and many other favorite nursery rhymes will be featured as our focus during the month. We are looking forward to sharing these loved verses and using them to develop various pre-math and language skills. We hope you will use this week as an opportunity to share your favorites with your child as well!

We are working on scheduling our class trip to the Discovery Museum at the end of the month. Detailed information to follow soon!

We are concerned for the safety of your children, therefore, please follow the traffic pattern in our parking lot. Please enter near Main Street and exit at the end of our parking lot onto Oak Avenue. Thank you for ALWAYS making sure your children are holding your hand as you cross at the crosswalk! NEVER leave a child unattended in your vehicle and never leave your vehicle running!

Teddy Bear Class:
Miss Greta &
Miss Wendy

There are many new things in store for the Teddy Bears this month. March brings a new season, new letters to learn, an Irish holiday to celebrate and a new Bible theme to focus on. New things are fun to do and learn about and we have lots in store this month.

Our letters for the month are T (week of the 4th), O (week of the 11th), G (week of the 18th) and K (week of the 25th). We will be looking for the signs of spring and will hopefully feel it in the weather. We will also celebrate St. Patrick's Day with some special activities, special snacks and learning about who St. Patrick actually was. In Bible our focus will be the miracles of Jesus as He displayed His power here on Earth.

Wednesday, March 13th, will surely be the highlight of the month! This is the day of our field trip to the Adventure Aquarium. Please arrive at school that morning before 9:30 with a "bagged lunch" which can be disposed of. **Finally, on Friday, March 15th Joyful Noise will be closed for our teacher in-service day.**

We appreciate all you do to partner with us in educating our precious Teddies.

Important Dates & Reminders

3/1 April Tuition Due
3/15 Teacher In-Service Day
SCHOOL CLOSED

Leaping Frog Class:
Miss Chrissy
& Miss Gabby

Our little Frogs are growing so much as time flies by here at Joyful Noise. They are cutting, writing, coloring, painting and tracing, mostly on their own! We had so much fun at our Valentine's Day Parties and participating in Dr. Seuss Week! Thanks to everyone who helped with our parties. **We will have our Saint Patrick's Day Parties on March 20th and 21st.** There will be a sign-up sheet outside the classroom for those interested in bringing in goodies.

During the month of March we will continue learning new letters. We will also start learning about the different types of animals from all around the world.

Our Bible theme for the month is "Jesus is Powerful". We will be learning how Jesus can do the impossible and perform many miracles!

Our Music theme is "Music Is Instruments" and we will discover how to play various instruments to the rhythm of songs.

Please See Joyful Noise Summer Camp Information Attached!

Shining Star Class:
Miss Theresa
& Miss Laura

We are seeing great strides in our Shining Stars as we head into March and we are excited at what is yet to come!

This month we will talk about the letter Qq and its “best friend”, the letter Uu, as well as the letter Nn. We will have fun exploring our five senses as we create a potato head, paint a scratch and sniff painting, and do some taste testing. Some of our other projects include making a nest, designing a class quilt and decorating underwear (always a crowd pleaser!).

During the month of February we implemented a new step in our morning routine. The children have been signing themselves in when they arrive each morning. Not only do the children enjoy signing in like their moms and dads do, but we have seen such progress in their writing! The children are taking pride in the sight words we have introduced so far and enjoy making up sentences using these words.

This month in Bible we will focus on Jesus’ power as we learn of the miracles that He performed.

We are looking forward to our trip to Pitman Theater on March 29 and hope you are all able to attend!

Smiley Face Class:
Miss Barbara &
Miss Linda

We are marching on in the Smiley Face Class! This month we will focus on letters Qq, Nn, Uu and our five senses. We will make a class quilt, paint with Q-tips, make a story bag to retell The Napping House, identify our 5 senses on a Mr. Potato Head picture, make a scratch and sniff painting, as well as decorating underwear and an umbrella.

We are looking forward to our Field Trip to The Broadway Theater in Pitman to see Mr. Malcolm’s Crazy Science Show on Friday, March 29th. Please return permission slips with payment by March 15.

Show and Tell week of:

March 4: Qq (quilt)

March 11: Nn (necklace)

March 18: 5 Senses

(see, smell, touch)

March 25: Uu (uniform)

We are looking forward to Spring!

Spring

Church
Information

Joyful Noise is sponsored by Calvary Chapel of Marlton. All are welcome to join us for our Sunday service at 10:00 AM. Nursery care and Sunday School are provided during the service. Calvary Chapel of Marlton has their own FM radio station, Hope FM 90.5 & 94.9. Please tune in 24 hours a day to hear the very best Christian music and Bible teaching programs.

Kindergarten:
Miss Kim

What a busy month this will be in Kindergarten!

We will begin our “Bookworm” reading contest this month and continue through April. Please see the letter that went home about this for more information. Everyone is excited to see how much our “Bookworm” will grow!

In our reading class this month we will be focusing on Long I, Tricky Y and Long E. In math class we will be introducing how to count by 10, place value and word problems.

We will also be celebrating Dr. Seuss’ birthday this month by reading many of his books and making crafts from those stories.

Don’t forget, next month we have **our standardized testing the week of April 8-12th**. Please be sure your child has a nutritious breakfast and is here every day that week.

Looking forward to another great month!

Follow along in your Bibles at home....
