

May 2019 at Joyful Noise

Theme: I Can Be Kind

*"Be kind and loving to each other."
Ephesians 4:32*

Music Theme: Music is Different Styles

Turtle Class:
Miss Ann &
Miss Linda

Welcome May!

Every year we say the same thing, "Where did the year go?" As we come closer to the end of our school year we still have many fun activities planned for our classroom. Mother's Day projects, Dinosaur Week, and counting sticks are in our plans for this month.

Parent-Teacher Conferences will be offered on May 14th. This is a good opportunity for our parents to meet with us and discuss all the wonderful growth that has occurred this year as well as any questions about the next school year. There is a sign-up sheet posted outside our classroom.

We are very grateful to all of our Joyful Noise parents for the support and cooperation we receive. It makes a world of difference to us and your children.

We would like to again thank all our Joyful Noise families for participating with us in our **Jelly Bean Jog and Food Drive!!** Through your generosity and gracious provisions, many needy families have been blessed.

Teddy Bear Class:
Miss Greta &
Miss Wendy

May is our last full month together with our Teddy Bears! It is hard to believe how quickly the year has gone by and how much progress and growth we have seen in our students since September.

We look forward to sharing your child's progress during our conferences on Monday, May 13th. Don't forget to sign up for a time that works for you. A sheet is posted near the sign-in table in the hallway outside our classroom.

May promises to be a full month. We will continue through the alphabet with the letter M for the week of May 6th, D for the week of the 13th, F for the week of the 20th and U for the week of the 27th. We will have some special fun making Mother's Day gifts and cards and reading books that remind us of how much our moms love us. We will also be working hard practicing songs for our end of the year concerts in June and learning what the Bible says about being kind to one another.

Important Dates & Reminders

- 5/1 Tuition Due for June
- 5/6-8 & 5/13-15 Pre-school - Parent-Teacher Conferences
- 5/22-23 Kindergarten - Parent-Teacher Conferences
- 5/27—MEMORIAL DAY—
SCHOOL CLOSED

Leaping Frogs Class:
Miss Gabby &
Miss Chrissy

Time never seems to slow down here at Joyful Noise, and we cannot believe that we are almost near the end of the school year. The students have exceeded our expectations and have developed immensely. Thank you to everyone who helped with our Easter Parties.

Our Parent-Teacher Conferences are on Monday, May 6th. The sign-up sheet will be outside the door. Also, Our Mother's Day Teas are on the 9th and 10th of May.

This month we will continue learning the alphabet. We will be discovering all about community helpers and their jobs. We will be learning about over and under and up and down and reviewing all that we have learned over the year.

Our Bible theme for May is "I Can Be Kind". The children will discover that Jesus is compassionate and giving and that we need to love and be kind to all people.

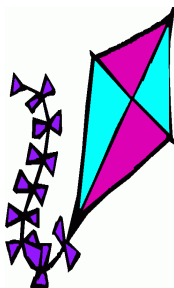

In Music we will be discovering "Music is Different Styles".

Shining Star Class:
Miss Theresa &
Miss Laura

May flowers are not the only things blossoming around here! Our Shining Stars have come so far and made such great strides in their learning. **We are looking forward to discussing your child's progress this year at our conferences coming up on Wednesday, May 8th.** Please be sure to sign up!

This month we will celebrate some very special people who definitely deserve to be celebrated— our moms! We will take special care in making our gifts and cards to honor our moms on Mother's Day. We will also focus on the letters Yy and Oo and enjoy doing such projects as a yoyo, a medical bag, a chef, a pine cone owl and an ocean, while also fitting in a few science experiments. **One of our favorite units is Community Helpers and we will be learning about them the week of May 20th.** We encourage any parents who would like to come in to share their career with our class to schedule a time to do so that week. If that week doesn't fit into your schedule, but you would like to come in, please speak to us regarding another time. If you would like to visit our classroom and just read a story, we invite you to do so. We would love to have as many parents as are willing to be our guests in the Shining Stars Class!

Smiley Face Class:
Miss Barbara &
Miss Linda

The Smiley Face Class is in full bloom! We are so happy to be enjoying more play time outside and the children are all buzzing about moving on to new places over the summer and into next year. There is a lot of energy and excitement in the air!

Many thanks to parents who were able to volunteer in our classroom so we could complete the Kindergarten Readiness Testing with all our students. **We will go over the results at our Parent Conferences on Wednesday, May 15th. Please sign up to meet with us.**

This month we will focus on our mothers, making gifts and cards for Mother's Day, and the letters Yy and Oo, as well as Community Helpers. If you would like to share something about your career with the class, please see Miss Barbara or Miss Linda to schedule a class visit. During the month we will make a yo-yo picture, a yak, a chef, a doctor bag, an owl and a finger paint ocean.

Church Information

Joyful Noise is sponsored by Calvary Chapel of Marlton. All are welcome to join us for our Sunday service at 10:00 AM. Nursery care and Sunday School are provided during the service.

Calvary Chapel of Marlton has their own FM radio station, Hope -FM 90.5 and 94.9. Please tune in 24 hours a day to hear the very best in Christian music and Bible teaching programs.

Kindergarten:
Miss Kim

What an exciting year we have had so far! So much is happening and **graduation is quickly approaching on June 21st!**

I am so proud of our Kindergarteners as our Bookworm has been such a great success! We are going to be celebrating with an ice cream party this month!!

This month we will have a chance to explore some interesting science projects and learn about water, magnets and chicken eggs!

May 22 and 23 we will have our Parent-Teacher Conferences. I am looking forward to meeting with everyone to discuss your child's progress this year! On June 5th, we will be making a special class project as a keepsake for your child. **Please bring in a white t-shirt for this project by May 22nd.** Thank you!
