## Turtle

**Class:**  
Miss Ann &  
Miss Linda

It is hard to believe there are only three weeks left in our school year! We have enjoyed all the time we have spent together playing, learning and watching your children grow in so many ways.

Reviewing concepts, **preparing for our end of the year concert to be held on June 20th & 21st at 9:15 am**, and enjoying more time outside with our friends, will fill our days.

Thank you for partnering with us to make this year a positive experience for your child.

### LOST AND FOUND

Please remember to check the Lost and Found box at the top of the front stairwell for any items your child may have left behind.

**"HAVE A SAFE AND HEALTHY SUMMER!"**

## Teddy Bear

**Class:**  
Miss Greta  
& Miss Wendy

It is so hard to believe that it is June already, and that our school year is drawing to a close. We are so pleased with the significant growth we have seen during our months together. Thank you for sharing your precious little ones with us. Thank you also for all of your support throughout the year helping with parties, chaperoning field trips and providing special treats as needed. We truly appreciate your many encouraging words, notes and gifts as well.

Here are a few details you will need to know as we wrap things up. First off, show and tell has reached its end. During the week of June 3rd we will review many of the concepts we have covered this year. For the week of the 10th we will be working on a special treat and a card for our Dads for Father's Day. **Our last week together will include our field days on June 17th and 18th and our final concerts on June 20th and 21st. We look forward to sharing both of these events with as many of you as possible.**

We wish all of our families a blessed and fun-filled summer.

Please stop by and see us on the way to your new school in the fall.

## Leaping Frogs

**Class:**  
Miss Chrissy &  
Miss Gabby

Our students have gone from little tadpoles to little frogs and leapt into their last month in the Frog Class.

During the month of June, the students will be reviewing materials previously taught throughout the year. In Bible, we will be learning about being thankful and how we can display thankfulness. In Music, we will learn how to enjoy and share music with others.

We were delighted that all our mothers were able to attend our Mother's Day Tea Parties. **For Father's Day, we are having an outside picnic on June 14th from 10 am -11 am.** If your child is not here that day, they can come in special with their fathers for the Father's Day Picnic. **Our end of year parties will be held on June 12th and 13th.** There will be a sign-up sheet for the parties outside the classroom. **Our Field Days will be held on June 17th and 18th.** Feel free to come out and watch your little ones. **Lastly, our Spring Concerts will be held on June 20th and 21st at 9:15 am.** We look forward to seeing you there!

**Shining Star  
Class:  
Miss Theresa &  
Miss Laura**

It is hard to imagine that this is our last Shining Stars' newsletter for the 2018-2019 school year. This year your children have grown physically, emotionally, academically, socially and spiritually and we have had the privilege of front row seats!

Thank you for allowing us to care for, nurture, guide, challenge and love your children. We have so appreciated your words of encouragement and tokens of appreciation along with way.

We have come a long way, but we are not done! In the month of June we will work on a special project for our Dads. We will also spend time reviewing letters, numbers and basic concepts we have covered throughout the year.

**The children are working hard to prepare for the end of the year concerts held on Thursday, June 20th and Friday, June 21st at 10:00 am.** After the concerts, we will return to our classroom for ice pops. Feel free to stop in to say hi or take your student home at that time.

Please don't forget to check the Lost & Found for any items left behind.

May God bless you and your family this summer!

**Smiley Face  
Class:  
Miss Barbara &  
Miss Linda**

It is hard to believe we are ending the school year this month. We are so proud of our students and all they have accomplished this year! Thank you for entrusting them to us for the past ten months.

This month we will be reviewing letters and numbers as well as celebrating our Dads for Father's Day. Only two more weeks of Show and Tell: June 3-7: Number/Letter review; June 10-14: Bring in something that reminds you of Dad; June 17-21: NO SHOW AND TELL.

**We look forward to seeing you at our end of the year Concerts on Thursday, June 20th and Friday, June 21st at 10:00 am.**

Have a wonderful summer!

We will find time for some work in each subject area for our last few weeks. In Reading, we will be reviewing our vowels and reading many stories about summer! In Math, we will be practicing solving both addition and subtraction word problems.
